

AFFIRMATIVE ACTION AND EQUAL EMPLOYMENT OPPORTUNITY POLICY

The Pennsylvania State University (Penn State) reaffirms its belief and commitment in equal employment opportunity for all employees and applicants for employment in all terms and conditions of employment.

Penn State has developed and maintained a written Affirmative Action Program (AAP). As President, I support the affirmative action program and urge each employee to commit to carrying out the intent of this policy. Penn State maintains an audit and reporting system to determine overall compliance with its equal employment opportunity mandates. The University's Associate Vice President for Affirmative Action oversees the affirmative action plan development, modification, implementation, effectiveness, reporting requirements and conducts management updates. Penn State invites any applicant and/or employee to review the University's written Affirmative Action Plan. This plan is available for inspection upon request during normal business hours in the Affirmative Action Office.

As part of Penn State's commitment to this overall process, it will ensure all aspects of employment, including recruitment, selection, job assignment, training, compensation, benefits, discipline, promotion, transfer, layoff, and termination processes remain free of illegal discrimination based upon race, color, religion, sex, sexual orientation, gender identity, national origin, disability (as defined under Section 503 of the Rehabilitation Act of 1973), protected veteran status (as defined under Vietnam Era Veterans' Readjustment Assistance Act of 1974), or a person's relationship or association with a protected veteran, including spouses and other family members. Penn State ensures all employment decisions are based only on valid job requirements. Regular review helps ensure compliance with this policy.

Penn State will ensure that employees and applicants shall not be subjected to harassment due to their status described above, or any harassment, intimidation, threats, coercion or discrimination because they have engaged in or may engage in any of the following activities; (1) filing a complaint with the University or with federal, state, or local agencies regarding status covered under this AAP, (2) assisting or participating in any investigation, compliance review, hearing, or any other activity related to the administration of any federal, state, or local equal employment opportunity or affirmative action statute pertaining to the status covered under this AAP; (3) opposing any act or practice made unlawful by section 503 and/or VEVRAA, and (4) exercising any other right protected by section 503 and/or VEVRAA or its implementing regulations in this part.

Eric J. Barron
