

WORK WAIVER FORM

Applications for the Student Child Care Subsidy Program are submitted to the Child Care Subsidy Coordinator in Human Resources at The Pennsylvania State University for consideration. One eligibility requirement for application consideration is that the spouse of student parent applicant be working and show proof through 1 month of paycheck stubs for working spouse at the time of application.

This form is only required if the student parent applicant (or spouse of applicant) has extenuating circumstances (past examples include disability, injury, international restrictions via work Visa, spouse is also a full time student etc) preventing themselves/spouse from working and are requesting a waiver from the work eligibility requirement. To help make the best possible decision in determining eligibility, we would appreciate your assistance by providing the below information.
