

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact HR Services at 814-865-1473. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other [underlined](#) terms see the Glossary. | Important Questions | Answers | Why This Matters: |
|---|--|---|
| <p>What is the overall deductible?</p> | <p>\$500 individual/\$1,000 family – In-network \$1,000 individual/\$2,000 family – Out-of-network</p> <p>The deductible does not apply to preventive services. Coinsurance amounts do not apply toward the deductible.</p> | <p>You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the deductible starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the deductible.</p> |
| <p>Are there services covered before you meet your deductible?</p> | <p>Yes. Preventive services, office visits, emergency room services, urgent care, outpatient mental health, outpatient substance abuse and rehabilitation services.</p> | <p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply.</p> |
| <p>Are there other deductibles for specific services?</p> | <p>No.</p> | <p>You don't have to meet deductibles for specific services, but see the chart starting on page 2 for other costs for services this plan covers.</p> |
| <p>What is the out-of-pocket limit for this plan?</p> | <p>\$1,250 individual/\$2,500 family – In-network out-of-pocket limit (excludes deductible) up to a total out-of-pocket of \$7,150 individual / \$14,300 family.</p> <p>\$2,500 individual/\$5,000 family – Out-of-network</p> | <p>The out-of-pocket limit is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.</p> |
| <p>What is not included in the out-of-pocket limit?</p> | <p>Premiums, balance-billed charges, prescription drug expenses and health care this plan does not cover do not apply to your total out of pocket limit.</p> | <p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p> |
| <p>Will you pay less if you use a network provider?</p> | <p>Yes. For a list of in-network providers, visit Aetna's DocFind at http://ohr.psu.edu/benefits or the public DocFind at www.aetna.com. You can also call the Penn State Aetna Concierge Team at 1-855-878-4197.</p> | <p>This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.</p> |
| <p>Do you need a referral to see a specialist?</p> | <p>No.</p> | <p>You can see the specialist you choose without permission from this plan.</p> |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
