For more information about your coverage, or to get a copy of the complete terms of coverage, contact HR Services at 814-865-1473. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other [underlined](#) terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	<p>\$250 individual/\$500 family – <a href="#">In-network</a>                      \$500 individual/\$1,000 family – <a href="#">Out-of-network</a></p> <p>The <a href="#">deductible</a> does not apply to preventive services. Coinsurance amounts do not apply toward the <a href="#">deductible</a>.</p>	You must pay all the costs up to the <a href="#">deductible</a> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <a href="#">deductible</a> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. Preventive services, office visits, emergency room services, urgent care, outpatient mental health, outpatient substance abuse and rehabilitation services.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply.
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	<p>\$1,250 individual/\$2,500 family – <a href="#">In-network</a> out-of-pocket limit (excludes <a href="#">deductible</a>) up to a total out-of-pocket of \$7,150 individual / \$14,300 family.</p> <p>\$2,500 individual/\$5,000 family – <a href="#">Out-of-network</a></p>	The <a href="#">out-of-pocket limit</a> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance-billed charges, prescription drug expenses and health care this plan does not cover do not apply to your total out of pocket limit.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. For a list of in-network providers, visit Aetna's DocFind at <a href="http://ohr.psu.edu/benefits">http://ohr.psu.edu/benefits</a> or the public DocFind at <a href="http://www.aetna.com">www.aetna.com</a> . You can also call the Penn State Aetna Concierge Team at 1-855-878-4197.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's charge</a> and what your <a href="#">plan</a> pays (balance <a href="#">billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without permission from this plan.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
