

**The Pennsylvania State University Student Parent Child Care Subsidy Program
Child Care Provider **NAEYC Accreditation Fee Reimbursement Form****

All providers participating with The Pennsylvania State University's Child Care Subsidy Program are required to be accredited. If you are not accredited, you must be a participant of the Keystone STARS program with a start rating of at least 2 and have a plan to obtain NAEYC accreditation in 3 years.

If not currently accredited, each year you will be required to complete a Child Care Accreditation Progress form to track what progress has been made. This will help us report where you are in the process to our funders.

Through the Child Care Access Means Parents in School (CCAMPIS) grant, the Student Parent Child Care subsidy may be able to assist with initial accreditation fees (*not renewal fees*).
